The screenshot shows a Zoom meeting interface. On the left, a presentation slide titled "I will Survive" and "Solving Paolo's Dilemma" is displayed. The slide content includes:

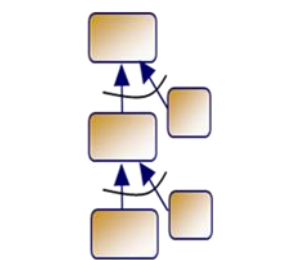

- Assumptions:** Paolo is one of my ALS learners and he was homeless. In order to get money, why must Paolo be a snatcher?
- Solution:** Get money, Be a snatcher
- Survive** (Central node in a flowchart)
- Flowchart:**
 - Survive branches into "Clear conscience and do something wrong" and "Get money".
 - "Clear conscience and do something wrong" leads to "Don't be a snatcher".
 - "Get money" leads to "Be a snatcher".
 - "Don't be a snatcher" and "Be a snatcher" are connected by a dashed line labeled "Side 1" and "Side 2".
- Assumptions:** I can do something else to earn money
- Solution:** Delivery boy, Houseboy, Car wash Boy

On the right side of the Zoom window, a grid of 12 participant avatars is visible. At the bottom, the Zoom meeting controls are shown, including "Meeting details", "Raise hand", "Turn on captions", and "Xavior Dann Corpuz is presenting".

Storyline
Mr. Ugay spends a lot of teaching time chatting with other teachers asking them how are they doing and sharing his newly discovered applications for teaching. The principal wants to send him a school memo of his observation to remind Mr. Ugay about his duties as classroom teacher.

#1

A. OBJECTIVE: Produce more efficient teachers.

B. NEED: Share his newly discovered software programs for teaching.

C. NEED: Remind him about his duties as a classroom teacher.

D. IDENTIFICATION: Spend teaching time chatting with other teachers.

E. WANT/ACTION: Send a school memo of his observation.

Is there a conflict?

Flowchart:

- THEN Student will be transferred to the proper authority
- And If sadaac comm will come → Student needs professional/assessment
- And If STUDENT will be reported to the SH → Case should be handled with the proper authority
- And If STUDENT will write an incident report → Conference is needed for immediate action
- And If Caught a student using marijuana in the school → Marijuana is prohibited/illegal to use in school

TOCfE Training for STUDENT LEADERS

Why do people think differently?

- We are made uniquely
- Different values
- Different attitude
- Different point of view
- Our brain functions differently
- We are different individuals
- We live different lives
- Different outlook in life
- Different experiences
- Genetically divergent
- Diverse societies
- Different family backgrounds
- Different pasts
- Uniqueness
- Different upbringings
- Depends on how they see life
- Influence and experiences
- Knowledge acquired
- Different circumstances
- Education
- Unique brains
- Living Conditions
- Different perceptions
- Different mindset

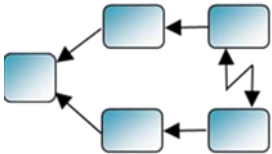

How do you handle your internal (personal) conflicts?
