HYGIENE: BRUSHING TEETH

Mrs Nor Saarah is teaching her class about food. She would like to instill personal hygiene in the children, that is, the habit of brushing teeth after food.

Teacher tells a story of Ali who likes to eat a lot but doesn't brush his teeth. Teacher and pupils use simple words and graphics to build the Negative Branch of Ali, the boy who doesn't brush his teeth.

CHILDREN ARE ASKED HERE: What can you do to avoid this?
